Date of entry [redacted]

[redacted] On [redacted] [redacted] [redacted] [redacted] was interviewed along with [redacted], [redacted], at [redacted], [redacted], [redacted]. After being advised of the identity of the interviewing agents and the nature of the interview, [redacted] provided the following information:

[redacted] On [redacted], [redacted] arrived home in the evening around 9:15pm. Once parking in the driveway, [redacted] noticed a ball of light through [redacted] windshield which was yellow and about the size of a basketball. Upon exiting the vehicle, [redacted] saw a second ball of light which was larger and about the size of a beach ball. The objects were behind a row of trees, which have since been taken down but in front of a section of trees between [redacted] property and [redacted] neighbor's property behind the home. [redacted] was able to look at the lights without strain or discomfort on [redacted] eyes. [redacted] stated that [redacted] has not had any health issues or concerns since seeing these objects.

[Agent Note: Based on where [redacted] was standing, the objects were approximately 30 yards away and 20-30 feet above the ground].

[redacted]; Upon seeing the lights, [redacted] came outside to views the objects as well. Both [redacted] and [redacted] observed the objects move laterally to their left, passing behind a tree approximately 36 yards away, at the same height, continuing behind a neighbor's house and beyond a tree that was approximately 75 away. It was at this point where [redacted] stated that [redacted] saw one orb going into the other orb before disappearing abruptly.

[redacted] [redacted] stated that a few weeks after this event, [redacted] saw several white orbs travel over [redacted] house from the west to the east. These white orbs were traveling much higher in altitude than the prior red orbs.

[redacted] In 1987, [redacted] stated that [redacted] had witnessed something strange off of [redacted] [redacted] in [redacted], [redacted] near power lines. [redacted] saw a red light circling around itself at night described it like the front end of Kit from
